3. In-house R&D center, center for engineering & technology and captive engineering shops.

4. INTRODUCTION

4.1. GENERAL:

- 4.1.1. Sail India is a non-profit organization that provides sailing opportunities to underprivileged youth. The organization was founded in 2003 by a group of sailors who wanted to give back to the community. Sail India offers sailing camps and clinics to youth from all over India. The organization also provides scholarships for youth to attend sailing schools. Sail India is committed to providing opportunities for youth to develop their sailing skills and to learn about teamwork, leadership, and perseverance.

5. EXISTING FACILITIES

5.1. IMPLEMENTATION STRATEGY:

5.1.1. Sailing camps and clinics are a great way to learn the basics of sailing or improve your skills. They are typically offered during the summer months and can be found at sailing schools, marinas, and yacht clubs.
